1898.

PREFACE.

The late F. P. Bradish, of La Crosse, Wis., one of the early settlers and successful business men of the Northwest, left at the time of his death, a small but fine and valuable Collection of Coins, which the agent for the estate, Mr. M. B. Greenwood, has decided to offer by public sale, under the management of the undersigned. The Collection contains nearly complete series of the regular Mint issues of U. S. Dollars, half and quarter Dollars, Dimes, half Dimes, three Cent pieces, etc., generally in very superior condition; also a complete set of gold Dollars, and some fine Foreign Coins, all of which are to be sold to the highest bidder without any reserve whatever, thus presenting to collectors a rare opportunity to purchase valuable American coins at their own valuation.

All coins, medals, etc., described in this Catalogue are guaranteed authentic and original. In the statement of condition the cataloguer has rigidly adhered to the high standard adopted by him and has prepared the descriptions with most scrupulous care.

Orders by mail should be forwarded so as to reach their destination at least 24 hours before the sale.

Except when the words "Set" or "Lot" are used, all coins, medals, notes, books, etc., are sold at so much per piece and bids must be made accordingly.

Orders for this Sale carefully executed by the Auctioneer, the undersigned, and Coin dealers generally.
